ORDER

A status conference is hereby scheduled to occur as a video conference using the CourtCall platform on **June 1, 2020, at 9:00 a.m.** As requested, defense counsel will be given an opportunity to speak with the Defendant by telephone for fifteen minutes before the proceeding begins; defense counsel should make sure to answer the telephone number that was previously provided to Chambers at that time.

To optimize the quality of the video feed, only the Court, the Defendant, defense counsel, and counsel for the Government will appear by video for the proceeding; all others will participate by telephone. Due to the limited capacity of the CourtCall system, only one counsel per party may participate. Co-counsel, members of the press, and the public may access the audio feed of the conference by calling **855-268-7844** and using access code **67812309#** and PIN **9921299#**.

In advance of the conference, Chambers will email the parties to provide further information on how to access the conference. Those participating by video will be provided a link to be pasted into their browser. **The link is non-transferrable and can only be used by one person;** further, it should be used **only** at the time of the conference because using it at another time may cause disruptions to other proceedings.

To optimize use of the CourtCall technology, all those participating by video must:

1. Use the most recent version of Firefox, Chrome, or Safari as the web browser. Do **not** use Internet Explorer.
2. Use hard-wired internet or WiFi. If using WiFi, the device should be positioned as close to the Wi-Fi router as possible to ensure a strong signal. (Weak signals may cause delays or dropped feeds.)
3. Minimize the number of others using the same WiFi router during the conference.

Further, all participants must identify themselves every time they speak, spell any proper names for the court reporter, and take care not to interrupt or speak over one another. Finally, all of those accessing the conference — whether in listen-only mode or otherwise — are reminded that recording or rebroadcasting of the proceeding is prohibited by law.

In the event that the video conference technology fails to operate successfully, the hearing will proceed telephonically. To access the telephonic proceeding, the parties must dial **888-363-4734** and enter the access code **1527005**, followed by the security code **3420**.

(Members of the press and public may call the same number, but will not be permitted to speak during the conference.) During the call, the participants are directed to observe the following rules:

1. Each party should designate a single lawyer to speak on its behalf (including when noting the appearances of other counsel on the telephone).
2. Counsel should use a landline whenever possible, should use a headset instead of a speakerphone, and must mute themselves whenever they are not speaking to eliminate background noise. In addition, counsel should not use voice-activated systems that do not allow the user to know when someone else is trying to speak at the same time.
3. To facilitate an orderly teleconference and the creation of an accurate transcript, counsel are *required* to identify themselves every time they speak. Counsel should spell any proper names for the court reporter. Counsel should also take special care not to interrupt or speak over one another.
4. If there is a beep or chime indicating that a new caller has joined while counsel is speaking, counsel should pause to allow the Court to ascertain the identity of the

new participant and confirm that the court reporter has not been dropped from the call.

Additionally, video and teleconference participants are reminded of the general prohibition against photographing, recording, and rebroadcasting of court proceedings. Violation of these prohibitions may result in sanctions, including removal of court issued media credentials, restricted entry to future hearings, denial of entry to future hearings, or any other sanctions deemed necessary by the Court.

SO ORDERED.
